MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Public Service Awards

REFERENCE : Your Memo Dated 30 June 1971

1. This memorandum submits a recommendation for your approval; this recommendation is contained in paragraph 4.

2. You suggested in the referent memorandum that recommendations for Public Service Awards, other than for the National Civil Service League Career Service Award, this year be reviewed by the Honor and Merit Awards Board. That review has now been conducted.

3. Attached is my original memorandum to you, dated 7 June 1971, listing the employees nominated for the various Public Service Awards. After a review of all of the candidates for these awards the Board concluded that none of the individuals listed should be recommended. The Board did have a suggestion that perhaps [REDACTED] might be resubmitted for the Federal Woman's Award. My own view is that [REDACTED] chances for winning this award are probably as remote as they were earlier. Nonetheless, you may wish to consider submitting [REDACTED] as a candidate for the Federal Woman's Award.

4. It is recommended, therefore, that none of the individuals nominated this year for the Public Service Awards be submitted.

MEMORANDUM FOR: Director of Personnel

Harry:

I will assume responsibility for ascertaining from the Director whether and who he might like to nominate for the National Civil Service League Career Service Award.

I do need a recommendation, and presumably from the Honor Awards Board, as to what we do about these other nominees. I simply don't know these people and the criteria for the awards for which they have been recommended well enough to decide without some staff advice.

1. Each spring you are invited to nominate candidates for the Agency's Public Service Awards Program. It is requested that you study the purpose and criteria of the awards listed above and nominate qualified employees who deserve recognition for their accomplishments. A pamphlet, describing each award in detail with a list of the latest winners, is attached to assist you in your selections.

2. You may submit more than one name for an award. Please send me your list of nominations on or before 14 May 1971. This Office will compile a list of all nominations submitted and forward it to the Director for final decision. You will not be recontacted as announcements are received. Action will be based on your submissions at this time and the Director's approval of nominations.

3. Last year the Agency submitted nominations only for the Career Service Award and the Federal Government Accountants Awards. We would not ask the Director to endorse a candidate who is not fully qualified and deserving of these awards. I urge you, however, to screen your employees carefully so that no qualified nominee is overlooked. Recipients of Honor and Merit Awards may also qualify for public recognition.

4. If you require any further information or assistance in identifying eligible nominees please contact me.
